

Cleaning and Disinfecting Zebra Rugged Tablets and Docking Stations

Product Care Guidelines

The following products have been successfully tested on all Zebra rugged tablets and docking stations.

Chemical Disinfectants	Recommended Brands	Cleaning Solutions	Recommended Brands
Viraguard®	Veridien	Goo Gone	Goo Gone (widely available)
Sodium Hypochlorite 6%	Multiple suppliers	Screen Cleaner	Office Depot, others
Ammonium Chloride 10%	Multiple suppliers	70% Isopropyl Alcohol	Multiple suppliers
SANI-CLOTH HB	PDI	Tuffie Wipes	Vernacare
SANI-CLOTH PLUS	PDI	Alcohol Prep Pads	PDI, others
SUPER SANI-CLOTH	PDI		
Cavi Wipes	Metrex		
Super HDQL 10	Spartan		
Cloro-Wipe Towelette	Surgipath		
Virex	Johnson		
70% Isopropyl Alcohol	Multiple suppliers		
Alcohol Prep Pads	PDI, others		

Cleaning your Zebra tablet or tablet docking station by using a wipe or cloth dampened by any of the disinfectants or cleaning solutions above will not cause damage to the tablet pc or docking station.

Some disinfectants or cleaning solutions may be difficult to clean off or may leave a film on the product. Zebra recommends you test a small portion of your tablet before cleaning it with a disinfectant or cleaning solution. You can use a damp cloth then a dry cloth to remove the cleaning agent residue.
